

**WILD AT HEART *Advanced* BOOT CAMP
FOR MEN, SERIES IV OCT 2017 TO APRIL 2018.
Weekends are well spaced and all are at Chorley Chapel,
Chorley, Shropshire, WV16 6PP**

**The Glory of God is man fully alive, with Christ in him!
What makes YOU come alive!**

What follows is an outline only, to provide you with an understanding of the event(s), and the commitment we will be asking of all who register.

Please note:- This is to help you decide whether to Register for Series VIII of Boot Camp which starts at Chorley Chapel September this year.

The Venue for all meetings is The Chapel, at High Green, Chorley, WV16 6PP (Postcode location is only approximate, and not accurate. Do not go down Bake House Lane. The Chapel is on the main through road in Chorley.) The Map Ref on an OS Map is:- SO701832, or see <http://www.geograph.org.uk/photo/1111127>. Or Chapel web site:- <http://www.the-church.net/chorley/contact/contactus.htm>.

Following an optional BBQ Breakfast on the car park each Saturday 9:15AM for the early birds, each weekend activity will start at 10:00am Saturday morning. There will be a great lunch served at the Chapel, and the formal part of the day will conclude at 7pm when we enjoy a hot meal at the Duck Inn, Chorley. Most guys camp overnight in the Chapel. Bring your personal Hygiene items, a sleeping bag and pillow. The weekend program will resume after breakfast at 10am Sunday with lunch served at the Chapel at about 1pm, and we will conclude our time together at about 4pm.

The costs to the organisers of each weekend averaged out will be around £50 to each candidate, we hope will be covered by individual donations by the candidates or their churches. Gift Aid is available on these donations. Some who wish to attend may have financial limitations that will / may need easement to enable them to attend. Financial difficulty however must not be a reason for not coming. There has always been one or two Kingdom folk who have been prepared to donate a double portion to cover the cost of those who can not contribute. The donations will cover all food throughout, refreshments, tea and coffee, and the cost of any and all free course material and books provided as we go.

How is Advanced different from Boot Camp? John Eldredge expresses it this way. "We will go deeper....." That about says it. The deeper is into us and what

**"To receive and live in Gods Love, pursue wholeness and share
both with the people of Chorley and beyond."**

issues we may still need to deal with. It goes Deeper into God's calling on us as men. We go deeper into our union with the Holy Spirit and with Jesus as he in turn draws us even deeper into the heart of the Father. We will deepen our understanding, knowledge, experience, wisdom and relationship with our King and plumb new depths in the 'how too' of application of all we will be learning. As courses and conferences go this not a jaunt, or a rush or a 'fix' that two weeks after the event you have forgotten 95% and are looking for the next one. This course is a real encounter with deep truths which will change you, your beloved and your dependents for generations if you let it.

The material used is for men! It is not necessarily what you might hear and encounter in Church on a Sunday morning!!! Please be gracious and tolerant in such situations, and focus on what God is doing in you through the encounter, this is not an opportunity to be 'religious' or critical which are tools of the enemy to bind you.

There may be certain 'conditions' or 'requirements' set by the session leaders in the course content, (e.g. a period of prayerful solitude,) these are to enabling each person to get full advantage out of the experience; please respect these conditions.

As guests of 'The-Church that meets @ Chorley', we should remember that we are in a country hamlet with a quiet and gentle disposition. If we go walking, seeking a quiet place to pray and enjoy 'time out' with God, for a while, please respect other people's property and any 'private' signs or notices.

Confidential and personal information may be shared in some of the sessions. Please; what is shared in this context, stays in this context.

One Last Thing:- Please understand, it is a battle we are encouraging you to enter into, you're already in it, although you may not recognise it, you're going to experience a lot of different emotions..., and hear a lot of thoughts designed to stop you moving forward as you go through this series of meetings. Things like: *"I don't have time to get into this right now"* or *"This may be for other guys, but it's not for me"* or *"I'm just a poser, not like these other real men"* or *"They're even Americans, what do they know!"* Most of that is from the enemy, meaning, Satan and is designed to 'take you out' of the fray, and rob you of this opportunity to grow and STAND.

Our enemy is terrified of what is going to happen if you do this for real. He'll mess with your equipment, (the DVD won't play.) He'll mess with your schedule (the night you set aside will get taken from you.) He'll mess with your group, (guys will cry off, bail from meetings, transport difficulties, whatever). He'll mess with your head through sport, family, diary, work issues you name it, expect it and be ready! Resist!

WILD AT HEART | ADVANCED

Pray about it!!!! Don't just let it happen. **Resist.** Pray. Bind it, in the Name of Jesus Christ. The enemy fears what will happen if you take this journey and become free. Fight all of 'that stuff' *and press on and in.* It is for such a time as this, that God has set in you a warrior heart. To be bold enough to STAND your ground!

You will never regret it.

Up for the challenge of going deeper? Call or e-mail and Register your place ASAP as only limited places are available. Tell your friends. Your registration will be confirmed as we receive your completed Registration form if a place is available.
